An Introduction

The **Penny Lane Dance Academy** curriculum was designed by Co – Owner and Artistic Director Miss Andi who hails from Liverpool, England. As an associate member and certified teacher of **ISTD** (Imperial Society For Teachers Of Dance), all ballet students will experience this world renowned syllabus. Penny Lane Dance Academy also has a successful location in Los Angeles and is home to many of Hollywood’s movie and T.V. industry families. Our curriculum was recognized and adopted by Children’s Hospital LA. With our exquisite ballet and tap classes for students as young as 16 months, Penny Lane strives to enhance the wonder of dance and music in each child’s world. It is our mission to make dance a magical experience.

Miss Sue, co-owner, will be managing the office and available to assist you with any scheduling questions in addition to helping your child settle in their new dance school. Sue is the mother of three children and holds a Master’s degree in child development. She is delighted to work within her community enhancing your child’s experience.
